Case 10-CA-171072

**UNOPPOSED MOTION FOR EXTENSION OF TIME
TO FILE EXCEPTIONS AND SUPPORTING BRIEF**

Under Section 102.46(a) of the Board's Rules and Regulations, as amended, Respondent E. A. Renfroe & Company, Inc. files this Motion for a 21-day extension of time for filing exceptions and a supporting brief. This extension, which is unopposed by Counsel for the General Counsel, would extend Respondent's deadline from September 14, 2016 until October 5, 2016.

1. Respondent's exceptions and supporting brief are currently due on September 14, 2016, and Respondent has not previously requested an extension in this case.

2. Counsel for the General Counsel does not oppose this motion and agrees that an extension to October 5, 2016 is appropriate.

3. Given the number and complexity of the exceptions at issue and the short period of time allowed for the preparation of exceptions, an extension of time to October 5, 2016 is warranted.

4. Additionally, counsel for the Respondent has previously existing filing deadlines and commitments in other federal and state proceedings. Those filing deadlines and commitments include mediation in the United States Court of Appeals for the Eleventh Circuit, the filing of a principal brief in the United States Court of Appeals for the Eleventh Circuit, and an oral argument before the Supreme Court of Alabama. Due to those previously existing filing

deadlines and commitments, it will not be possible for Respondent's counsel, despite its best efforts and with due diligence and priority to this matter, to file exceptions and a supporting brief on time.

WHEREFORE, Respondent E. A. Renfroe & Company, Inc. respectfully requests that this Motion for Extension of Time to File Exceptions and Supporting Brief be granted.
